

Cogdal Vineyards Little Man Club Notes

2024 Volume I (March)

A crazy winter produced limited snow, multiple temperature changes, and a dangerously low freezing temperature range that threatened this year's harvest. Our plants survived and look good. They are trimmed and tied up for the year with high expectations for the year. After a unseasonably warm stretch of weather, temperature have moderated reducing the risk of budding out too early and being exposed to an early frost.

We will have our wine release and food pairing party on Saturday, April 20. New releases of Vin Blanc, Reflection, and Harvest Reserve will be available to replace the sold out wines from last year. We are also excited to introduce a new rose, Haven Kiss. Haven Kiss will be a bubbly semi-dry wine. We do not have the capability to add the bubbles, but hope to have it available by April 19. New vintages of Dry Riesling, Estate Riesling, Nana's Kiss, and Sunset Kiss will be available next to last year's version. All wines will be available for tasting and 30% case discounts will be available on this day.

This year we will celebrate our 10th Anniversary. It has been an exciting and rewarding journey. We want to thank everyone for your support. Our anniversary party will span 2 days, Saturday, July 20 and Sunday, July 21. Each day will include music, food trucks, case specials, and fun.
