

Cogdal Vineyards Little Man Club Notes

2022 Volume I (February)

Whether you are a new customer or have been here since the beginning, we are very thankful for your support. Your support allows us to grow while improving your experience with us. For 2022 we will be returning to serving your glass of wine in glass (except during music events). An overwhelming majority of you prefer to complete your tasting outside whenever possible. To accomplish this, we will continue to serve tastes as a flight using trays and compostable glasses. Starting in May our tasting flights will change to three tastes for \$5 and six tastes for \$10. We are also looking at how to offer a curated wine tasting experience

The schedule is set for our outdoor music series under our new gazebo. We are working on food trucks for these events, but they are not finalized yet. To accommodate Wednesday night music we will be open Noon to 8pm.
