

Cogdal Vineyards Little Man Club Notes

2026 Volume I (March)

The harvest from last fall yielded a number of estate grown wines that you will see throughout the year. Both Dry Riesling and semi-dry Riesling are ready for bottling and an expected release on April 25. The Cabernet Franc will be our first estate bottled Cab Franc, but will not be released until later this year. We purchased exceptional Merlot and Cabernet Sauvignon grapes last fall. The Merlot was blended with our first harvest of estate Merlot for release later in the year. The Cabernet Sauvignon will be sold as Vin Rouge this year. We are excited about our first in-house fermentation of Cab Sauvignon and will release a small batch on April 25. The last wine to be released on April 25 is Sunset Kiss which is an exciting new blend.

Our 2026 Events start with the Wine Release Party April 25 and ends with the Nouveau Fest on December 5. Below is the music schedule for the summer. Wednesday evenings start with food truck at 5 and music at 6. Weekend afternoons start with food at noon and music at 1. Food trucks are on the website.

It is with heavy hearts that we share the passing of our dear friend and coworker, Karen Jansheski. Karen was a bright and steady presence at our winery. She brought kindness, warmth, and a genuine care for others into every interaction, and she made both our team and our guests feel truly welcomed. Her joy and spirit were a gift to all of us. At Cogdal, we are a small close-knit team, and Karen was an important part of that. We consider our team family and her absence leaves a space that cannot be filled. Please keep her husband, Chad and her children, Taylor and Tristen, in your thoughts and prayers. Also remember Karen's family, friends and the many whose lives she impacted during her meaningful career as an educator.
