

Cogdal Vineyards Little Man Club Notes

2025 Volume IV (Nov)

We are now on the backside of this year's harvest. It was a very good harvest for us with our actual yield being more than our projections. While the vines have started their retreat into hibernation, the resulting wine juice from this harvest is fully fermented and resting in barrels. In the coming months we will be racking, filtering, blending and bottling to allow the wine to reach its final flavor profile

Our 2nd Nouveau Fest will be December 6 and 7. Deb designed a new label filing the state of Michigan with various types of beach glass found around the state. We have selected a white, Mitten Glass White, and a red, Mitten Glass Red for this year's Fest. The white is an estate grown Traminette, a first for us. The red is 100% Chambourcin with a classic Nouveau profile that is of fruity, jammy and easy drinking. The fest runs Noon to 5 both days with wine tasting, appetizers, and end of year discount on all wine to go purchases.

Come and enjoy the tasting room at quieter time. Sit by the fireplace (indoor or outdoor) or overlook the vineyard from the enclosed patio. We have room for groups in the processing area as well.

We will be closed starting Dec 8 after the Nouveau Fest until February 13. We will be able to offer wine pickup appointments and support any shipment with free shipping.

Continue to check the events page on the website as add music, food, release party, and new events over the next couple months.

Thanks to everyone for supporting us as we look forward to an exciting year 12.

Tasting Room Schedule through Dec 7

Open Noon to 5pm

November: 16, 21, 22, 23, 29, 30

December: 6 and 7 (Nouveau)
